

## ACHIEVABLE POSITIONS

### 2-POSITION TV RECLINE

Lifted • Seated • Reading

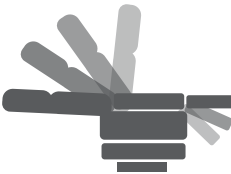

The 2-position TV recline is achievable on all Pride® Power Lift Recliners. This is a comfortable position for performing many relaxing activities including reading, watching TV, working on your tablet or for conversation with family and friends.

### 3-POSITION FULL RECLINE

Lifted • Seated • Reading  
Napping

The 3-position full recline is available on most Pride® Power Lift Recliner models and puts you in a position ideal for napping or relaxing.

### INFINITE-POSITION

Lifted • Seated • Reading  
Napping • Relaxing

The infinite-position recline is perfect for taking a nap. Infinite-position Pride® Power Lift Recliners enable the backrest and footrest to move independently from one another so that a variety of positions can be reached. The LC580i and LC525i can achieve true-infinite (two, three, infinite, zero gravity, Trendelenburg) positions while the LC558 can only achieve infinite (two, three, infinite) and lay flat positions.

### TRENDELENBURG POSITION

The Trendelenburg position, available on the LC-525i and LC-580i, elevates one's feet higher than his or her head for increased comfort and relaxation.

### ZERO GRAVITY POSITION

Lifted • Seated • Reading  
• Napping • Relaxing  
Trendelenburg • Zero gravity

The zero gravity position, which can be reached on infinite-position Pride® Power Lift Recliner models, positions one's thighs and lower legs higher than his or her torso.
